

Mural Process

01

Discovery:

We have a call or meet in person to discuss the project and inspiration; you send dimensions and photos of the wall(s).

02

Quote:

We send you a quote/estimate based on the project scope.

- * Custom interior murals start at \$15-25/sq ft, and exterior murals start at \$20-30/sq ft.
- * Additional costs may result from equipment rentals, UV-resistant and/or graffiti-resistant clear coats, travel, difficult surfaces, or other extenuating circumstances; these costs will be outlined in your quote.

03

Design:

A \$500 non-refundable design deposit is due at this point (if you decide to move forward with painting, this cost is applied towards the total mural cost). We send 3 concept drawings for you to choose from.

- * 2 rounds of revisions are included in this price (of the 3 designs, you choose 1 to make revisions to).

04

Deposit:

Once we have landed on a design, we send a contract and an invoice for 50% of the project total.

05

Paint:

We take care of everything from set-up to clean-up.

06

Completion:

Second 50% payment due at completion of installation.

07

After Care:

We send you a post-production document with technical details and care instructions for your new mural.
